

Market access and Regulatory Certification for Huddly Canvas
Model ID: CW6WM

Huddly Canvas consists of miscellany products assembled into a kit for expanded functionality otherwise not available in each individual item.

The individual items of this product have been evaluated on their own. Additionally, the kit has undergone EMC testing to verify its expected behavior as the different equipment is kitted together. This product has been satisfactory evaluated for market access in the following markets:

Australia, Canada, China (including Hong kong), European Union (including the EEA), India, Indonesia, Japan, Malaysia, New Zealand, Philippines, Singapore, Taiwan, Thailand, United Kingdom, United States of America and Vietnam.

The individual items in the kit have been suitably marked, as applicable, and as they were satisfactory evaluated; which can otherwise be prooved by supporting documentaiton. The kit as such hosts the following marks:

| Country / Region | Certification Number / Regulatory Marks | |
|--|--|--|
| European Union European Economic Area |  |  |
| United Kingdom |  |  |
| United States of America and Canada |  CAN ICES-3 (A)/NMB-3(A) | |
| Australia / New Zealand |  | |

Corresponding document for [Huddly IQ](#) details the individual marking that it hosts ‡.

Other markets may or may not require additional certifications, information and marks.

The [setup instructions \(QSG\)](#) are found here. Otherwise review the Product and Compliance Information as well as other information at: <https://www.huddly.com/compliance/canvas/>, before using the product.

Huddly AS
Stortorvet 7
0155 Oslo
Norway
